

**Healthy Families Indiana
Administrative Alert**

DATE: April 28, 2011

TO: HFI CEO's and Program Managers

FROM: Audie Gilmer, HFI State Program Coordinator

SUBJECT: Administrative Alert #2011-3A
Re: Submission of HFI Invoices –Amended

Please place this alert with #2011-3 sent April 8, 2011 as it is a change to that information regarding HFI invoicing.

Administrative Alert #2011-3, Submission of HFI Invoices, sent April 8, 2011, indicated that with the new billing process, DCS Claims would hold invoices until signed invoices were received from all providers. The procedure has been adjusted so that invoices will be processed in several “batches” instead of just one; invoices will not be held until all are received.

We encourage you to submit invoices as they are available from Datatude.
